

SYNERGY SERIES 2011

CAMARO

CONCEPT BECOMES REALITY

SPRING 2011

A VISION FULFILLED

How does a vision become true?

It's subtle use of color, perfectly tailored tonality and an incomparable collection of accessories, all fused to express sophisticated soul. Introducing the Synergy Series, a new special edition designed to fulfill your ultimate Camaro vision with a look unattainable anywhere else.

This Camaro model will go from SEMA concept to on-road reality in Spring 2011 and will be available with the RS Package in either the 2LT and 2SS models. See your Chevrolet dealer for further details.

Concept model with 21-inch wheels shown.
